Signing up a New Member/Distributor

A Guide for NeoLife App Chrome PC Users

STEP 1 - Getting Started

Download and open the NeoLife App

Click "Enroll a friend" button

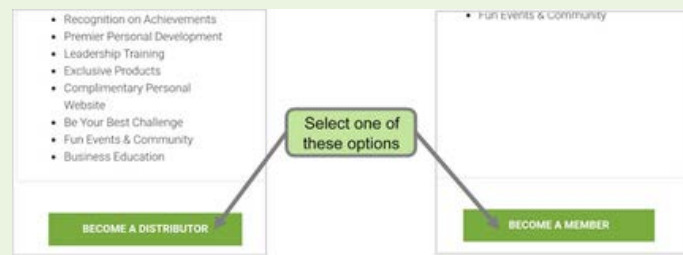

Next, select your region

Then select whether to sign up as a member or distributor.

- A Member can save 5-15% on NeoLife products
- A Distributor can save 20% on NeoLife products
- A Distributor can also earn an income owning their own nutrition start-up business

The sign-up process is the same for both

STEP 2 - Starter Kits

A NeoLife Distributor will need products to sell.

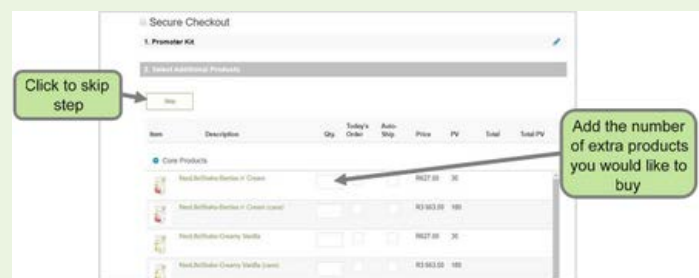

These can be found in NeoLife Starter Kits

- The packs also contain a variety of products that you may use for yourself
- Items are grouped by purpose, such as "beauty" or "home care"

You will need to purchase a starter pack to continue

Select which kit you would like and add it to your cart

You can add additional products by scrolling down. If you are happy with your order, click "Skip"
