GUIDE FOR: Phone users on google chrome

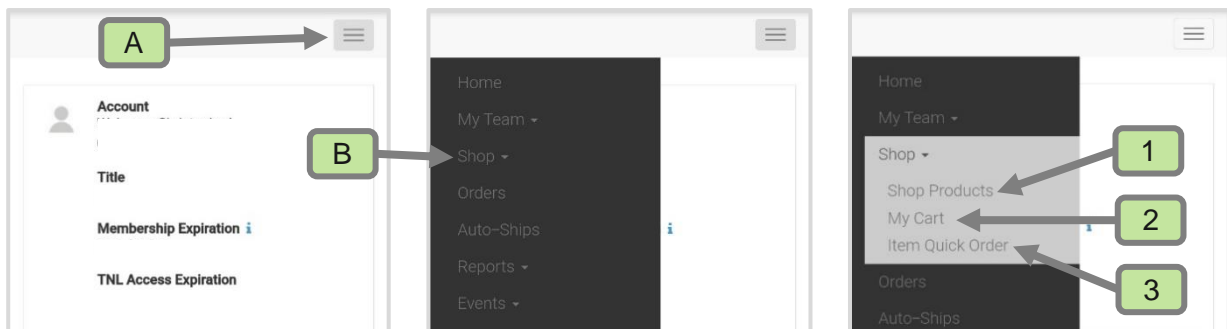

GUIDE FOCUS: How to use the NeoLife shop

STEP 1 – Opening the shop

First log in to the NeoLife website and tap the three horizontal bars on the top right of the screen (A) and choose the shop option (B). Here you can...

- 1) Navigate to the shop
- 2) Check what's in your virtual cart (these are the things you have decided to buy, but have not yet paid for)
- 3) Make use of the quick order function which allows you to save a shopping list

Click “shop products” to continue.

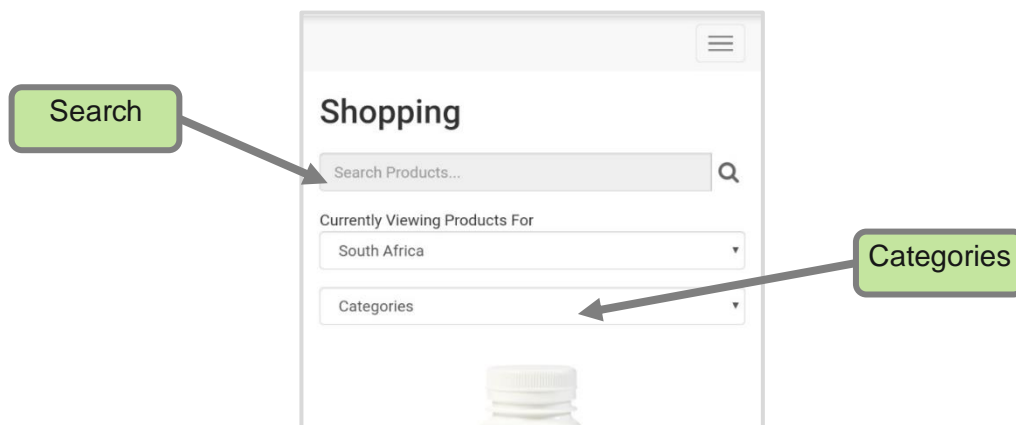

STEP 2 – The NeoLife shop

To find a product enter the order code into the search bar. Product codes can be found in the NeoLife manual you received when signing up.

Products are organised into categories such as weight loss and digestive health to help you find new products.

To purchase a product, tap on its picture.

Tap the address where you would like to collect your order. If you would prefer to have your order delivered enter an email address (so NeoLife can send you an order confirmation email) and click "ship to this address". This will use the address you have saved as part of your NeoLife profile.

Tap here to have your order delivered to you

You may also add a new address by scrolling down and filling in the relevant boxes. This is especially useful if you are shopping for a client or family member.

If you would like the order to be delivered to a new address, scroll down to see this screen

Tap here once you have filled in all the boxes above

If you choose to collect your order you must choose one of the NeoLife depots in your region. If you are having trouble with this check that you have selected the correct country. The example picture shows the collection points for the Republic of South Africa. Enter a name for your order so you can identify it and an email address.
