GUIDE FOR: NeoLife App Users

GUIDE FOCUS: How to enrol new distributors

STEP 1 – Getting started

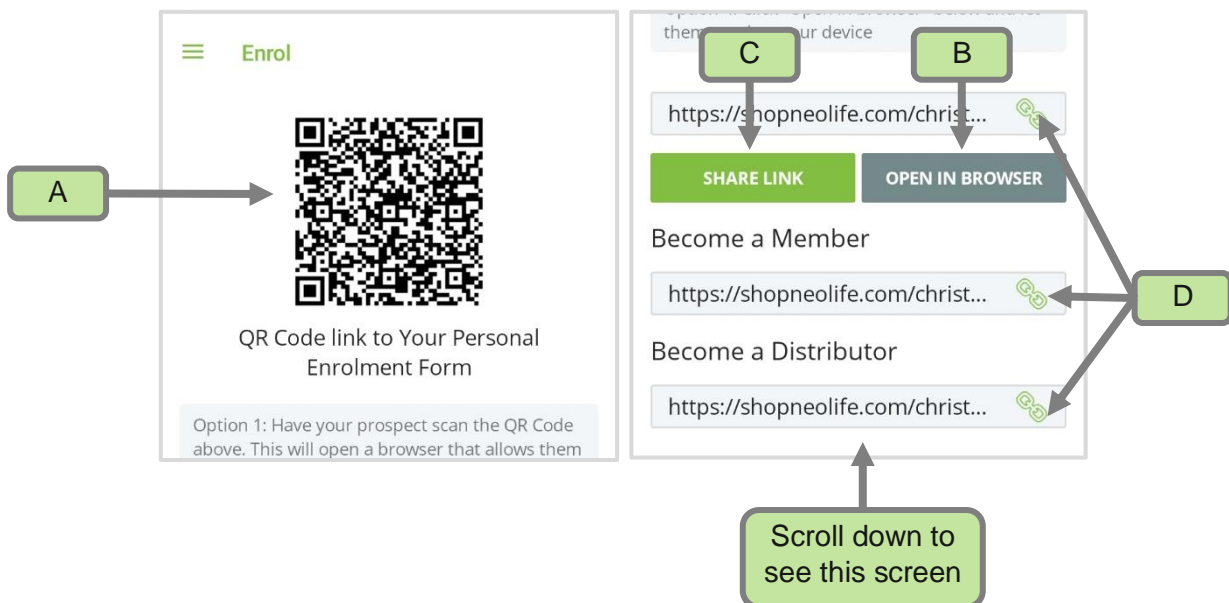

First download the NeoLife App from the app store. Sign in and tap the enrol button at the bottom of your screen.

STEP 2 – Sending a link

To enrol a distributor, you must send them a link. This can be done in one of three ways:

- (A) If they are with you in person, have them scan the QR Code with a QR scanner
- (B) Let them enrol using your device
- (C) You may share a link with them using the “share link” button
- (D) You may share a link with them using chain icon. The chain icons copy the link to your clipboard so you can paste it into a message or email.

STEP 3 – Getting started

Next select your region. You may then choose in what way you would like to sign up. A member gets 5-15% off some products. A distributor can save 20% on NeoLife products and earn income by owning a Nutrition Start-up business. The sign up process is the same for both of them.

1) Select South Africa from the drop-down menu

2) Scroll past the video

3) Scroll down further and click here to enrol a member or distributor

The screenshot shows a 'Sign Up & Save' page. Under 'Select your market:', a dropdown menu is open with 'South Africa' selected. Below this is a video player with the text 'NeoLife - Your Business ...' and 'TOGETHER WE CAN'. To the right of the video are two large green buttons: 'BECOME A DISTRIBUTOR' and 'BECOME A MEMBER'.

STEP 4 – Starter Packs

As a distributor you will need products to sell to your friends. These can be found in the NeoLife starter packs. The packs contain a variety that are also extremely useful for your own personal use. The items are grouped according to what they do, such as the weight loss pack seen below. You are required to purchase one of these before you can move on so now is a good time to do some research into what you'd like to sell. Once you've made a decision add the pack to cart and tap next.

Tap here

Then tap here

The screenshot shows a product page for the 'WEIGHT LOSS PACK'. It features an image of 'Pro Vitality' products. The text reads: 'WEIGHT LOSS PACK', 'Save money while getting the body you've always wanted', and 'More ▾'. Below this, a price comparison is shown: 'Wholesale Price: (Auto-Ship) \$227.80' and 'Retail value: \$304.45', with a 'Save: \$76.65' note. At the bottom, there is a green 'ADD TO CART' button and a white 'Next' button.

If you want to add additional products not included the next step allows you to do so. If you are happy with your purchases, you may skip this step.

The screenshot shows a 'Secure Checkout' screen with two main steps: '1. Select a Starter Kit' and '2. Select Additional Products'. A 'Skip' button is located under step 2. Below the steps is a section for 'Core Products' with a table listing items and their quantities.

Annotations on the screenshot:

- A callout box on the left says: "Tap here to skip if you don't want to add more products" with an arrow pointing to the 'Skip' button.
- A callout box on the right says: "Add the number of extra products you would like to buy" with an arrow pointing to the quantity input field.

STEP 5 – Details

The final step is to add your personal details, such as address, birthday and payment information. You also need to specify how the order should be shipped. In part 3, choose whether you would prefer your order to be shipped or if you'd like to collect your package in person. This process is the same as using the NeoLife shop. Only the shipping option is shown.

Fill in all your details and scroll down until you see this screen. Here you must decide how you're going to pay. You may wither choose to use a credit card or to EFT the money. Choose the appropriate option. To complete the sign-up process, tap "save and continue"

The screenshot shows a mobile app interface for a sign-up process. At the top, there is a text input field for "Apartment, suite, unit, building, floor, etc.". Below this are three dropdown menus for "STATE" (Eastern Cape), "* CITY" (10TH AVE), and "POSTAL CODE" (Postal C). The screen is divided into two main sections: "5 Billing / Payment" and "6 Terms and Conditions". In the "Billing / Payment" section, there are two radio button options: "Credit Card" and "EFT". The "EFT" option is selected, and a "secure EFT" logo is visible to its right. In the "Terms and Conditions" section, there is a checkbox labeled "I agree to the terms and conditions of the Distributor Agreement, Privacy Policy, and the Policies and Procedures." which is currently unchecked. At the bottom of the screen is a "Save and Continue" button. Two callout boxes with arrows point to specific elements: one points to the "EFT" radio button with the text "Choose your payment method", and another points to the "Save and Continue" button with the text "Tap here to finish".
