STEP 3 – Member or Distributor

You may then choose in what way you would like to sign up. A member gets 5-15% off some products. A distributor can save 20% on NeoLife products and earn income by owning a Nutrition Start-up business. The sign-up process is the same for both of them.

STEP 4 – Starter Packs

As a distributor you will need products to sell to your friends. These can be found in the NeoLife starter packs. The packs contains many items that are also extremely useful for your own personal use. The items are grouped according to what they do, such as the weight loss pack seen below. You are required to purchases one of these before you can move on so now is a good time to do some research into what you'd like to sell. Once you've made a decision add the pack to cart and tap next.
