

NeoLife - yourday2day Veronica's Guides

GUIDE FOR: NeoLife App Users

GUIDE FOCUS: How to use the NeoLife shop

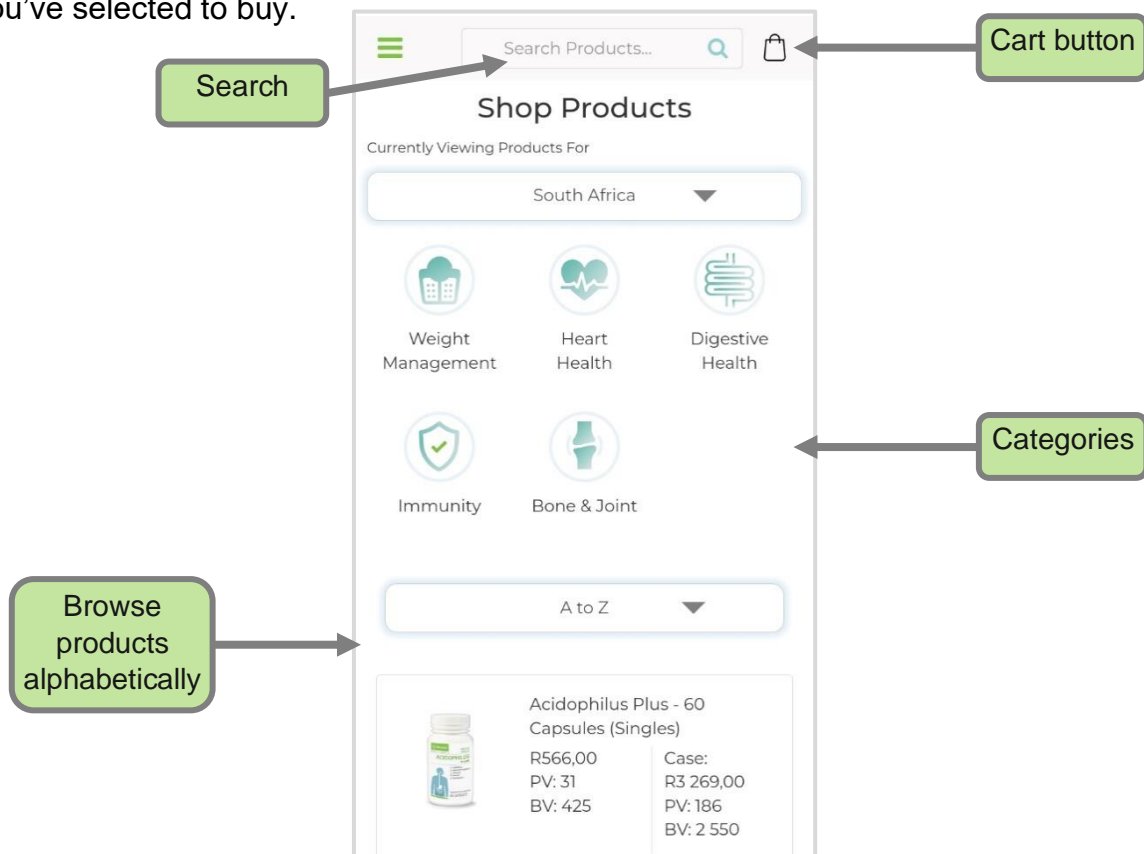

STEP 1 – Opening the shop

First download the NeoLife App from the app store and tap the “shop” button at the bottom of your screen.

STEP 2 – The NeoLife shop

To find a product enter the order code into the search-bar. Product codes can be found in the NeoLife manual you received when signing up. Products are organised into categories such as weight loss and digestive health to help you find new products. To purchase a product, tap on its picture. By taping the “Cart” button you can see the items you’ve selected to buy.

STEP 3 – Buying products

Tap the “add to cart button” to add the product to your list of purchases. To check the list, tap the cart icon. You may either continue shopping or, if you’re finished, proceed to checkout.

The screenshot shows a product page with a price of R5,00 (PV/BV: 0 / 0) and a quantity of 1. Three callout boxes point to the 'ADD TO CART', 'Continue Shopping', and 'Checkout' buttons. The bottom navigation bar includes icons for Dashboard, Shop, Enrol, and Profile.

Tap here to add the item to your cart

Tap here to carry on shopping for more items

Tap here if you are ready to pay for your items

STEP 4 – Checkout

First choose whether you would like to collect your order in person or for it to be delivered to your door. You can either collect your order from a NeoLife warehouse or one of the pickup points listed.

The screenshot shows the 'Select a shipping address' screen. Two callout boxes point to the radio button options: 'I would like to ship my order' and 'I would like to pick up my order'. A third callout box points to the 'SHIP TO THIS ADDRESS' button.

Tap here to have your items delivered to you

Tap here if you would like to collect your order in person

NeoLife - yourday2day Veronica's Guides

Tap the address where you would like to collect your order. If you would prefer to have your order delivered enter an email address (so NeoLife can send you an order confirmation email) and tap “ship to this address”. This will use the address you have saved as part of your NeoLife profile.

Tap here to have your order delivered to you

You may also add a new address by scrolling down and filling in the relevant boxes. This is especially useful if you are shopping for a client or family member.

If you would like the order to be delivered to a new address, scroll down to see this screen

Tap here once you have filled in all the boxes above

If you choose to collect your order you must choose one of the NeoLife depots in your region. If you are having trouble with this check that you have selected the correct country. The example picture shows the collection points for the Republic of South Africa. Enter a name for your order so you can identify it and an email address.

2) Choose a location
