## GUIDE FOR: NeoLife App Users

## GUIDE FOCUS: How to enrol new distributors

### STEP 1 – Getting started

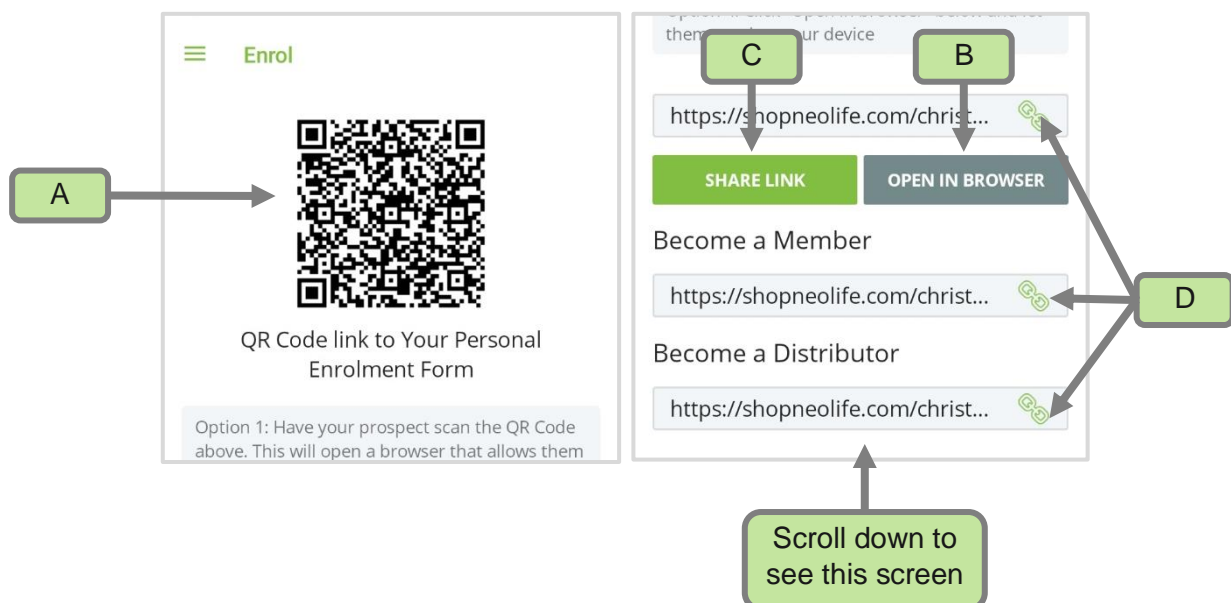

First download the NeoLife App from the app store. Sign in and tap the enrol button at the bottom of your screen.

### STEP 2 – Sending a link

To enrol a distributor, you must send them a link. This can be done in one of three ways:

- (A) If they are with you in person, have them scan the QR Code with a QR scanner
- (B) Let them enrol using your device
- (C) You may share a link with them using the “share link” button
- (D) You may share a link with them using chain icon. The chain icons copy the link to your clipboard so you can paste it into a message or email.

## STEP 3 – Getting started

Next select your region. You may then choose in what way you would like to sign up. A member gets 5-15% off some products. A distributor can save 20% on NeoLife products and earn income by owning a Nutrition Start-up business. The sign up process is the same for both of them.

**1) Select South Africa from the drop-down menu**

**2) Scroll down and tap here to enrol a distributor**

## STEP 4 – Starter Packs

As a distributor you will need products to sell to your friends. These can be found in the NeoLife starter packs. The packs contain a variety that are also extremely useful for your own personal use. The items are grouped according to what they do, such as the skin care pack seen below. You are required to purchase one of these before you can move on so now is a good time to do some research into what you'd like to sell. Once you've made a decision add the pack to cart and tap next.

## STEP 5 – Details

The final step is to add your personal details, such as address, birthday and payment information. You also need to specify how the order should be shipped. In part 3, choose whether you would prefer your order to be shipped or if you'd like to collect your package in person. This process is the same as using the NeoLife shop. Only the shipping option is shown.

The image shows two screenshots from the NeoLife sign-up process. The first screenshot is titled '3. Sign Up Information' and 'Enrolment Information'. It asks 'Who referred you to NeoLife?' and shows 'You have selected Christopher, NeoLife # 026-9198395 as your sponsor.' Below this is a section for 'Personal Information' with fields for 'FIRST NAME \*' and 'MIDDLE NAME'. A callout box labeled '1) Fill in your details and scroll down' points to the first name field. The second screenshot is titled '3 Shipping Information'. It has two radio button options: 'I would like to ship my order' (selected) and 'I would like to pick up my order'. A callout box labeled '2) Choose your shipping option' points to the selected option. Below are fields for 'FULL NAME \*' (First Name and Last Name), '\*STREET ADDRESS' (Street Address and Apartment, suite, unit, building, floor, etc.), and 'STATE' (Eastern Cape) and '\*CITY' (10TH AVL). A callout box labeled '3) Finish filling in your details' points to the city field. At the bottom of the second screenshot is the label 'EMAIL ADDRESS - FOR ORDER CONFIRMATION'.

Fill in all your details and scroll down until you see this screen. Here you must decide how you're going to pay. You may wither choose to use a credit card or to EFT the money. Choose the appropriate option. To complete the sign-up process, tap "save and continue"

The image shows a screenshot of the '5 Billing / Payment' screen. It has two radio button options: 'PayGate (Credit, Debit Card & EFT)' (selected) and 'Adumo (Credit & Debit Card)'. A callout box labeled 'Choose your payment method' points to the selected option. Below this is a section for '6 Terms and Conditions' with a checkbox and the text 'I agree to the terms and conditions of the Distributor Agreement, Privacy Policy, and the Policies and Procedures.' At the bottom is a 'Save and Continue' button. A callout box labeled 'Tap here to finish' points to the button.
